

fl/y ferruccio laviani

An essential lamp which is characterised by the "subtle interpretations of the theme". Made in transparent methacrylate in all the colours of the rainbow, the cover is not perfectly hemispherical but the cut-off is underneath the height of the diameter to collect the most light. What's more, the special transparency of the material and the sheen of the colours bring to mind a soap bubble, iridescent with reflections of light. The iconic FL/Y lamp is now available in three sizes, Small FL/Y, FL/Y and Big FL/Y.
