

giulia gianfranco frattini

Giulia is a relaunch of an original project designed by Gianfranco Frattini in 1957. The armchair and ottoman create a timeless feeling of beauty, comfort and harmony in private and public settings. A choice of materials is given on the embrace-shaped structure in either ash wood dyed dark walnut or grey with artisan taste.

materials:

Base in ash wood dyed dark walnut or grey. Upholstery chosen from the full range of fabrics and leathers in Tacchini's collection.

dimensions:

armchair
