

## jey francesco rota

A family of tables that reminds you of chess in its refined two-color choice. JEY is a contemporary service-table in two different heights (45 and 50 cm) for the lounge area. The tables combine a precious cylindrical base of marble or concrete, conveying stability to the whole, with a top of 10mm Fenix laminate in several shapes (a circle, a rounded-off square, a hexagon, a rounded-off triangle).

materials:

White Carrara marble with white Fenix top, black Marquinia with black Fenix top, white concrete with white Fenix top or black concrete with black Fenix.

dimensions:
