

kosmos dirk wynants

Kosmos is a table-seating combination with a lounging function and can be used indoors and outdoors. It has a round shape in which you can sit or relax, with the added bonus of a table. At its lowest position and with the cushion, it offers a completely flat surface transforming kosmos into a giant lounger. Options such as the parasol, light and dimmer transform kosmos into a real oasis of rest. Kosmos has developed into a complete range comprising: the low & high kosmos, 3 and 8-seaters, round and square parasols and the 'oris pulpit. Kosmos is available in a wide range of fabrics, leathers and colours.
