

lem shin & tomoko azumi

The Lem is an iconic stool. The lines of its closed, perfect for delineate the minimum indispensable volume, achieving a measured elegance. An entire family of Lem stools featuring a range of bright colors and a variety of textures and materials has now been developed on the basics of the initial concept. A versatile Lapalma classic for the contract segment, used widely for a broad range of requirements.

The Lem features a fixed or adjustable height with swivel seat. The Lem is also available with a "swing-back system" for the seat and floor floor-fixing base which is especially suitable for catering and high frequency areas.
