COSY

Designed by Francesco Rota

Cosy comes from the idea to offer high comfort with a reassuring, warm and familiar gesture.

The timeless lines, soft and all embracing design, adaptability and versatile character make Cosy a padded item that offers the utmost comfort in a wide range of situations, environments and frameworks.

Collection of padded modular elements featuring seats with different depths and lengths; backs with different heights, either aligned or corner compositions; coffee tables and additional cushions.

A highly versatile system designed for consumers to choose their favourite composition that will meet needs and blend into any setting, environment, style and taste.

COSY LOW TABLE 1 and COSY LOW TABLE 2 are coffee table sets designed in large sizes; small architectural solutions with strictly rigorous lines. They also offer low parts for storage.

Piece of accessory that contrasts with the soft volumes of the padded items to underscore their functional features for MDF Italia's living-room.

FRAME

Bearing frame made of solid and multilayer wood, base with elastic belts, feet and concealed hook system.

PADDING

Variable-density foam polyurethane padding and cover in polyester wadding.

The fabric covering every part of the sofa is manufactured to enhance the softness of the sofa. In addition, the covers are completely removable.

LOW TABLE 1 - 2

Structure and finish:

Cosy Low Table 1 produced in curved aluminium, thickness 6mm, matt painted with epoxy powders in the colours white or lead grey.

Cosy Low Table 2 made of high-pressure stratified laminate FENIX NTM matt, thickness 8mm, in the colours white or black.

Open compartment with top tray in medium density fibreboard, thickness 8mm, micro goffered lacquered in matt medium grey or matt turtledove grey.
