

maarten victor carrasco

Swivel or 4 leg chair for the home and for public facilities. Its powder coated steel tube structure and its carefully made, elegant, upholstered seat recall the classics of the '70s. Maarten is available in two upholstered versions with or without arms to fit with all kind of environments. The 4 legs version is stackable

materials:

Swivel or 4 leg calibrated steel structure powder coated in thermoreinforced polyester in black, white, fluorescent orange and altea blue. Moulded shell with 3D plywood covered in shape-holding polyurethane foam and polyester fiber. Fixed upholstery covering available in the classic and plain version. Arms available in calibrated steel powder coated in thermoreinforced polyester in the same colors as the structure.
