

# pakaia angelo natuzzi

With its aesthetically appealing look, Pakaia offers exceptional comfort when you sit down, thanks to a flexible back that supports your back with a customized embrace. Made of a moulded polyurethane, it is particularly resistant and easy to clean. Also available covered in hide leather. Besides the basic version, it is also available in a stackable version. Suitable for meeting and conference rooms, Pakaia is a truly versatile chair in the full sense of the word.

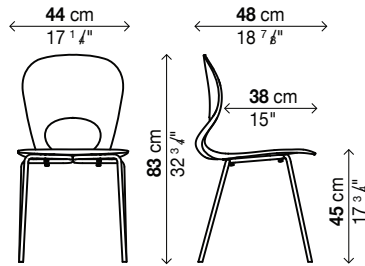

## materials:

Metal finish: Polished chrome steel or white, red, black or beige lacquered steel.
