

# Steel

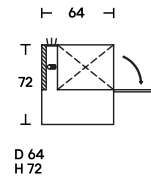

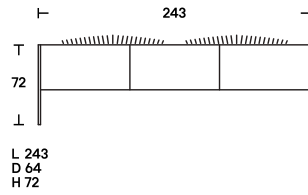

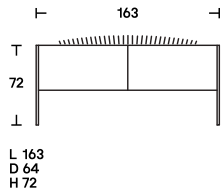

---

Year	2001
Designer	Lodovico Acerbis, Gabriele & Oscar Buratti

---

In a unique collaboration, award-winning designer Gabriele Buratti and Acerbis' own Lodovico Acerbis created the Steel sideboard unusually wide, emphasized by a minimalist structure that rests on two ephemerally thin side panels in mirror-polished steel, and bathed in light diffused by a matte methacrylate strip set into the top, with an illuminated interior and base as well.

**Dimensions**

**Finishes**

Top and doors in matt or glossy lacquer in the colours: black, white, white SW, linen, sand, clay, burgundy, pink, dark green, mustard yellow, brick red and navy blue; dark-stained walnut veneer.

Sides in shiny mirrored AISI304 stainless steel.

Interiors in white microembossed finish.

Technical back-end system with back-lighting and cable organization.
