

Vela Collection Ramon Esteve

Vela is a modulate system with a prismatic geometry elementary that bases its singularity in the balance of its proportions. The elements can combine among themselves to be able to integrate in any space. Their flat volumes seem to float to some centimeters off the floor and when they are illuminated they are transformed into light architectures.

Features:

Basic, Lacquered, White Light, RGB Leds, RGB Led DMX, RGB Led Battery

VELA LOUNGE CHAIR

39¼" x 39¼" x 28¼"
100x100x72 cm
