

birds, clouds, fish Benedetta Mori Ubaldini

Birds, Clouds and Fish dangle on a thread, they play with the air and light, telling stories that are always different. These sculptures are in metal mesh, a material which is usually a hidden material used only as internal frame for sculptures, while in these objects it finds its own beauty and transforms into figures and objects of a poetic world.

Materials

Metal mesh painted in epoxy resin. Supplied with hook for ceiling fixing.
