

## dodo oiva toikka

Dodo is a rocking chair/bird for children created by the Finnish designer Oiva Toikka, famed worldwide for his collection of glass birds designed for Iittala. With Dodo the same fully defined shape of Toikka's glass sculptures is now applied to plastic to create an object whose natural habitat lies both in the home and in the garden.

### Materials

Material: rotational-moulded polyethylene. Suitable for outdoor use.

### Dimensions

orange skin
