

richard III philippe starck

Armchair completely moulded in rigid structural polyurethane, painted with polyurethane enamel in matt black or metallic silver. Cushion in expanded polyurethane and dacron, covered with customer fabric, black technical fabric, black or white leather.

The classic armchair by Philippe Starck is also available in a limited edition, signed by the designer, to celebrate Baleri Italia's twentieth anniversary with the structure painted in the exclusive Blue Klein colour and the pillow covered with technical fabric in the same colour.
