

loop tjokeefe

By continuously looping a single form and connecting them at critical points of intersection, the Loop side table and console celebrate repetition, exploring the graphic qualities of intersecting lines and the space created in between. Indoor/outdoor.

materials:

Powder-coated steel rod in black, white, fluorescent yellow or fluorescent green.

dimensions:

15-1/2" x 18" x 18"ht
56" x 17" x 29"ht
