

poliart luca nichetto

Paris, Barcelona, Venice and Istanbul. 4 cities, 4 cultures, 4 stories.

Born of his travels and his love of these European cities, Luca Nichetto was moved to create Poliart - a family of highly distinctive coffee tables. The stylized forms of the city maps have been taken and abstracted, adding an elegant structure to create a piece of occasional furniture.

materials:

powder coated aluminum

Venice - dark brown

Istanbul - white

Paris - red
