Shelf and/or wall-mounted desk.

The minimal form and tapered thickness create a product with a unique, highly iconic design.

Its key features are its formal strength and the versatility with which it can be easily integrated with other furnishings.

It's an "accent" that can interact spontaneously with its surroundings and be used in many different ways.

materials:

The shelf is in medium density fibreboard with varying thicknesses and moulded into a curve. Finish: matt lacquered white, green, orange, avio blue, sand, mustard yellow and anthracite grey.

It is attached to the wall with a bracket.
